Dear Mr. Shear:

We wish to acknowledge your gift of a full 16 bill sheet of United States Continental Currency dated January 14, 1777 printed in red and black in superb condition with it complete selvage. This fine donation is very much appreciated and most thoughtful of you. It is a welcome addition to our collection and the public should enjoy it when on exhibit.

The sheet arrived by FedEx from California in fine condition through the courtesy of Early American Auctions.

Thank you for your generosity and kindness.

Sincerely,
